CAPABILITY STATEMENT

CAPABILITIES

EXPERT IN:

- **Change Management.** Change is hard, but I can help you make it easier. No matter what needs changing, I can work with you and your stakeholders to clarify the problem and potential solutions, translate strategy into action, and provide support and coaching to enact sustainable solutions. Expert in implementation of processes and practices.
- **Leadership Consultation and Coaching.** Even really smart people can't always see the whole landscape, and I can help light the way. I provide individual and team consultation and problem solving (with individual follow up booster sessions) to work through any issues. I specialize in working with highly technically proficient individuals who are challenged in managing staff and getting things done.
- **Training and workshops.** I can provide training to your organization or team on leadership, negotiation, conflict management, teamwork, mentoring, and project management.

DIFFERENTIATORS

LEADING THE WAY IN ...

- Dr. Wisdom has extensive training in public health, behavior change, implementation, management, and leadership. She received a PhD in Clinical Psychology from The George Washington University and a Master's of Public Health in Epidemiology and Biostatistics from Oregon Health & Science University.
- Dr. Wisdom's experience over the past 20 years has been at the intersection of public policy and municipal activities related to improving the health, education, and safety of the public. She teaches organizational diagnosis, organizational interventions, management, and leadership. **Wisdom Consulting** brings you the benefits of her substantial experience.

PAST PERFORMANCE

Wisdom Consulting has worked in complex health care, government, and educational environments for 25 years, including the serving in the U.S. military, non-profit service delivery programs, city and state health offices, and higher education.
